

Important MAP Updates

Please see below for important MAP updates:

MAP Technical Assistance Tool

An updated MAP Technical Assistance Tool dated 4-15-2025 is now available. Updates to the tool are reflective of the changes to section 19 in the most current version of the MAP policy manual dated 4-15-25.

This review tool utilized by DDS, DMH, DCF, and MassAbility during site visits, can be found on two platforms including:

- [Medication Administration Program \(MAP\) | Mass.gov](#) under [MAP oversight and review | Mass.gov](#).
- mapmass at <https://mapmass.com/> under MAP Resources - Oversight and Review

Updated Patient Prescribing Directives Document

The Medication Administration Program (MAP) Patient Prescribing Directives circular can be located at DPH's MAP website [Medication Administration Program \(MAP\) | Mass.gov](#) under [MAP Resources](#). The Prescribing Directives circular can be utilized to assist you in introducing the Medication Administration Program to the HCP and to assist the HCP in writing MAP compliant orders.

As always, please reach out to your agency MAP Coordinator with questions.

Thank you,
DDS/DMH/DCF/ MassAbility MAP Administrators

Please send any technical questions to CDDER@umassmed.edu.
