

Important MAP Update

On August 25, 2025, the Department of Public Health (DPH) announced that the Executive Office of Health and Human Services has approved a state-funded electronic Medication Administration Record (eMAR) system. This initiative represents a significant step forward in enhancing medication safety and streamlining documentation across MAP-participating agencies.

Additional details about the eMAR initiative are available in the August 21, 2025 "What's New: Recent MAP News" update, which provides further context and implementation guidance.

For questions or support, please contact your agency's MAP Coordinator.

Thank you,
DDS / DMH / DCF / MassAbility MAP Administrators
