

Independent Trainer Orders for MAP Resource Packets

Dear MAP Trainers,

Effective September 22, 2025, there will be a change in resource packet ordering for Independent MAP Trainers.

Independent MAP Trainers **who train students for a service provider** will be asked to pay the shipping and handling cost per packet. This charge can be paid by the Independent Trainer directly, or by the service provider. These trainers should designate the correct State Agency and Service Provider affiliation on the packet ordering form.

Independent MAP Trainers who train students **not employed** with a service provider will be asked to pay the full cost of the Resource Packet, plus shipping and handling fees. These trainers should select "Independent" under both the State Agency and Service Provider Affiliation questions on the packet ordering form.

Thank you,
