

## MAP Mass Updates

Dear MAP Trainers and Course Supporters:

### **Scheduled Down Time:**

MAP Mass will be offline and unavailable to students and Trainers from July 29 - August 4 for important security updates and site maintenance. Students in the July 17 Certification class must be out of the online course by July 29. They can resume progress in the online course on August 4. We will reopen earlier if we can.

### **Updated Registration Roster Template:**

There is an updated template on [MAP Mass](#) for registering students into the Certification Course. This updated roster template includes sections for entering Provider and State Agency information for each Trainer and student. Use of this new roster is required starting with the July 3rd class.

### **Roster Tip Sheet:**

A PDF tip sheet explaining how to use the updated roster is [here](#).

### **Shortened Access Period:**

Students access to the online Certification Course will decrease from 6 months to 4 months. This is to better align with the access period for testing. This change will take effect with the August 7th class. Students registered before August 7th will still have access for 6 months. An updated 2025 archive schedule is [here](#).

Please email [cdder@umassmed.edu](mailto:cdder@umassmed.edu) with any questions.

Thank you,
