

2027 Responsibilities in Action Massachusetts MAP Online Certification Training Schedule

- Students are enrolled twice a month, on the 1st and 3rd Thursday of each month. These are the official class dates used to name groups and set archive dates. Students are archived four months after their official class start date.
- MAP Trainers may start their class on any date within the corresponding date range. The class will still be assigned the official class date shown in the schedule. Student rosters must be submitted by the eRoster registration closing date for that date range.
- Late rosters will be processed as time allows. Please note that late submission may delay your students' start date.
